

Walk from our doorstep...

Some fantastic walking is available right from our doorstep. The walk behind the house can be extended or shortened at a range of points to suit your ability or time available.

The route is varied taking in breathtaking views, uphill strolls, woodland and historical points of interest.

At the bottom of the drive turn left and then right onto Spooney Green Lane. This lane/path will take you up through some beautiful woodland and onto the Cumbria Way. Of course, this route can provide excellent cross county walking but it's also a great route to walk in sections.

To enjoy fell top views on Latrigg.

Take the Cumbria Way path uphill until you reach a right turn for the summit of Latrigg. Despite its modest height of 368m the views across Keswick and onto Derwentwater and surrounding fells, is extremely rewarding (pictured above).

To bag a mountain and explore Skiddaw.

Follow the Cumbria Way beyond the turning for Latrigg to the Car Park near the summit and turn left towards Howgill Tongue, Little Man and Skiddaw (931m). As the 4th largest mountain in the Lake District the views from Skiddaw are impressive; you can see way beyond the fells surrounding Keswick. (OS maps recommended). (Pictured below: Skiddaw Massif)

For woodland walking and a low level ramble.

From Spooney Green Lane take the first path on the right through Whinny Brow woodland. This path meanders through beautiful woodland around the foot of Latrigg. You can shorten this at various points, but we'd recommend you take it all the way through Brundholme Woods, until you reach the edge where a right turn takes you over a Ford and down to the old Railway line, now a popular family walk. Turn right onto the Railway path and continue back into Keswick.

Alternatively you can take this path all the way to the small village of Threlkeld, which has a few traditional cosy pubs to enjoy and return via Castlerigg Stone Circle. (OS maps recommended).
